AECUSA-LLC's policy is payment in advance for the first three (3) projects. After that, a line of credit can be established. It is understood that payment is due when the invoice is issued. Invoices over 30 days old are subject to a finance charge of 2.0% per month retroactive to the invoice date.

Payment can be made by check (call for address, we travel frequently), by PayPal at www.paypal.com, or a wire transfer. Email address for PayPal payment is payment@faader.info.

There is a three-percent (3 %) charge for using PayPal, please add this in when making payment by PayPal.

Wire transfer info:

BANK OF AMERICA, Wire Transfer number 026009593 (inside the USA)

International swift number – BOFAUS3N (outside the USA)

Aviation Engineering Consultants of USA, LLC : Account number – 898071191448

AOG makes your project Priority #1. Non-AOG takes a week or more.
